

# All-Stars Keeps On Dancin'!

All-Stars Dance Center is celebrating its 15th year of providing fun for kids and adults of all ages at their dance center. Owner Kim Starsiak is continuing to expand the fun to include the whole family with more programs for children and adults at the new facility on Root Road in Westfield. From adult and kid's Zumba classes, and "Cartwheels and Crafts" to "Tu-Tu's and Fairytales," the studio is a growing place for the growing family! All-Stars Dance Center is now very proud to announce that they have been chosen from studios across the nation to perform as representatives from the state of Massachusetts during the half-time show at the Orange bowl in Miami, Florida in January 2010! All-Stars teachers and students have also recently won several national dance titles including outstanding school spirit, and several choreography awards. Hadley Lecair was crowned Tiny Miss Sophisticated Dancer of the Year for all of the dancers 4-6 years old. Jordan Street was named Little Miss Sophisticated Dancer of the Year for all dancers ages 7-8 and

Cole Cannady was named Petite Mr. Sophisticated Dancer of the Year for all dancers age 9-10. So you can see that with all of the talent and dedication from All-Stars teachers and students, success is a huge part of this dance family. We strive to not only see our competitive team grow as dancers, but we also make sure that every recreational student finds their strengths so that we can build great self esteem.

With all the resources to provide lots of extra activities for families, new classes like Adult Pilates, Adult Hip-Hop, "Mom and Me" Tap, combination classes with Roots Gymnastics Center, and All Boys Hip-Hop, are filling up fast! All-Stars is growing with the surrounding community, and are proud to announce its affiliation with the Westfield Park & Recreation Department and the Westfield School System. Being a real part of the community is making the All-Stars family atmosphere even stronger. In addition to everything new, there are still the acrobat, jazz, tap, ballet, lyrical and hip-hop classes for all ages and abilities. There

are even "tiny tot" classes for children as young as 1-1/2 years old.

With all the changes and growth over the last two years in the new facility, Starsiak still provides the same great award-winning and Dance Masters of America certified adult teachers that she has had since she opened her doors in 1995. From Competitive Company classes to recreational, there is something here for everyone. With the space in the 3-room facility, the studio can accommodate lots of classes with very flexible times. In addition to after-school classes, there are classes on weekday mornings, combo classes on Saturday mornings, and the themed Birthday parties are still a hit with parents and kids of all ages. All-Stars is also a great place for field trips!

All-Stars Dance Center will be having Open Houses on Wed., Aug. 19th from 6-8pm and Sat., Aug. 29th from 10-12noon. Come join the fun with a trial class and see what fun this clean and friendly facility has to offer everyone in the family! If you have any questions or would like to make an appointment
